

Casework Teams

PIP and Restore casework teams offer personalised plans of work around your needs, helping you move forward to maintain positive change. This also includes culturally sensitive and specialist support for BAMER Women (Black, Asian, Minority, Ethnic, Refugee Women) affected by the following issues:

Childhood Sexual Abuse

Women who as adults are suffering as a result of childhood experiences

Domestic Abuse

Emotional support for women who have experienced an abusive relationship and want support to develop an understanding of all forms of domestic abuse.

Mothers Apart from their children

Women unable to have contact with their children for a range of complicated reasons; as a result of child protection proceedings, women who have been in Prison and lost contact with children and women with longstanding and entrenched mental health issues

Offending behaviour

Women who are on the edges of the criminal justice system, at risk of offending and those who have a longer history of periods in and out of the criminal justice system

Sex work

Women currently engaged in, at risk of engaging in, or with previous experience of sex work
